The **Policy Schedule** and this Policy Wording constitute the full terms and conditions of the insurance with **Us**. **You** acknowledge that **We** have offered this Policy and calculated the premium using the information which **We** have asked for and **You** have provided, and that any change to the responses provided by **You** may result in a change in the terms and conditions of the Policy and/or a change in the premium.

**You** should check over the Policy wording and **Policy Schedule** carefully to ensure they are correct and meet **Your** requirements, and notify **Us** immediately, if anything is incorrect, as this could affect Policy cover in the event of a claim. **You** should keep these documents in a safe place. **You** must tell **Us** if either **Your** insurance needs or any of the information **You** have given **Us** changes. A change in circumstances may affect Policy cover, even if **You** do not think a change is significant, and **We** may need to change this Policy. **We** will update the Policy and issue a new **Policy Schedule** each time a change is agreed
